### HAVING YOUR SAY

As always, the Parish Council are keen to receive input from parishioners and would remind you that while a discretionary public forum is held at the beginning of every meeting lawful items for discussion and decision have to be listed on the Parish Council's or Committees' Agendas.

Therefore if there is something that you feel the Parish Council should consider, please put your concern or query in writing to the Parish Clerk

Planning meetings (held twice monthly) are open to the public, and public opinion on planning applications is always welcomed either at the meetings or in writing. Copies of meeting Agendas are posted the previous week on the Parish Council's Henstridge & Yenston notice boards.

## FOND FAREWELL TO MRS FLO CORNISH

The parish council has this month received notice that its longest serving employee is to retire. Mrs Flo Cornish has been involved in the life of the parish for more years than she cares to remember! She has previously been on the village hall management committee as the booking clerk. Most recently, Flo has been responsible for locking and unlocking the gate

to the village hall car park every day at the correct times, and being the key-holder when hall users need access outside the regular opening hours.

The parish council would like to take this opportunity to thank Mrs Cornish most sincerely for her work over the past 40+ years and to wish her all the very best for the future.

## OPEN SPACES

The parish council is responsible for letting the **allotments** in Furge Lane. We can report that nearly all of the plots seem to be thriving due to the hard work of the holders. Well done!

The latest addition to the **recreation ground**, the skate park, is being well used. There is a slight problem with weeds coming through the tarmac and one of the ramps requires some attention, but overall, the installation is proving very popular.

Earlier in the year, concern was raised by some residents regarding dog fouling at the recreation ground. Linda Jones and her fellow dog-walkers have been monitoring the situation and challenging people to make sure they're clearing up after their pooches! This has led to a marked improvement and the parish council would like to thank Linda and her colleagues for all their help.
