## Wheels 2 Work Rolls into Somerset

Devon Wheels 2 Work is pleased to announce that it will be extending the coverage of its motorcycle rental scheme into Somerset with immediate effect.

Devon Wheels 2 Work is a social enterprise that provides affordable scooter and motorcycle loans to individuals, allowing them to access work, education and training. This means that individuals living or working anywhere in the area it covers have access to affordable, flexible, independent transport when they may live or work in areas not served by public transport and are looking for a cost effective transport solution.

Following the closure of the Somerset Rural Youth Project's Moped Loan Scheme earlier in 2015, Devon Wheels 2 Work has decided to make its services available to people living and / or working in Somerset. This will initially be for the West Somerset, Taunton Deane and South Somerset districts, but it hopes to be able to extend this further at a later date.

In return for an affordable weekly fee, Devon Wheels 2 Work provides a taxed, insured, fully maintained and serviced 50cc moped or 125cc scooter or motorcycle. It also carries out a safety check every six weeks on all of the machines.

Wheels 2 Work is open to anyone aged 16 or over that holds at least a provisional driving licence and a current Compulsory Basic Training Certificate. For more information please visit [www.devonwheels2work.co.uk](http://www.devonwheels2work.co.uk), or contact us on 01409 253942 or [admin@devonwheels2work.co.uk](mailto:admin@devonwheels2work.co.uk). We can provide a supply of leaflets or posters for information points in your town or parish if required.

Devon Wheels 2 Work has been operating for 14 years, and in 2016 it will celebrate its 10<sup>th</sup> year as a successful social enterprise. In addition to its delivery within the South West, it has been awarded contracts to deliver Wheels 2 Work schemes in East Sussex and Oxfordshire.

As a social enterprise, it generates a significant income from sales from our motorcycle workshop which is open to the general public and from our Holsworthy based motorcycle showroom which stocks an excellent range of helmets, clothing, and accessories and used motorcycles. Any profits that it makes from these activities are reinvested into the motorcycle rental scheme to keep it affordable for customers that need to use it.
